GOVERNMENT OF MYSORE

OFFICE OF
the Director of Industries and
Commerce in Mysore, Bangalore

Date 2nd February, 1955.

To

The Secretary to the Government of Mysore,
Development Department,
Bangalore.

Sir,

Sub:-Disposal of Second-hand Cochran Boiler (16 N.H.P) of the Government Dichromate Factory, Belagula to Messrs. Puttasamiah & Sons, Saraswatni Rice Mills (Main), Ediga, Mysore.

I write to state that the General Manager, Govt. Dichromate Factory, Belagula has reported that an offer has been received from Messrs. Puttasamiah & Sons, Sarawathi Rice Mills, (Main) Ediga, Mysore for the purchase of the above Boiler at a price of Rs.6,650/-. It is also stated that the above party has inspected the Boiler along with the Inspector of Factories & Boilers before offering this price. In this connection, I wish to mention that the price offered by another party, viz., the Managing Agent, The Tunga Rice & Oil Industries, Ltd., Shimoga is not worth considering. The price offered by Sri. Puttaswamiah is more by Rs.204-15-0 than the Book value of the Plant. The book value of the above asset including all charges is Rs.6,445-1-0. The factory would be proritted to the extent of Rs.204-15-0 by this deal. The General Manager, Mysore Chemicals & Fertilisers, Ltd., Belagula, to whom the Government Dichromate Factory is to be integrated very shortly, was consulted with regard to the disposal of the above item and he has intimated that the Boiler might be disposed off since they are not in need of the same.

Under the circumstances, I request you to kindly obtain early orders of Government to dispose the Cochran boiler @ a price of Rs.6650/- in view of this factory being integrated with the Mysore Chemicals & Fertilisers, Ltd.

Yours faithfully,
S. Muninanjappa
(S. MUNINANJAPPA)
DIRECTOR.
